CADMUS, EUI RESEARCH REPOSITORY

2023 marked the **20th anniversary of Cadmus** the EUI research repository. Soon it will reach 30000 EUI publications.

Cadmus fulfils four different roles and commitments:

- It is the Registry of all EUI research output;
- It offers Open Access retrievability and visibility to EUI research results;
- It is a Publishing platform;
- It hosts special collections like the COVID-19 Pandemic, the State of the Union, the Conference for the Future of Europe, and Ukraine.
