OUR NETWORK: ASSOCIATED SOCIAL ENTREPRISES

ANNUAL ACTIVITY REPORT '22

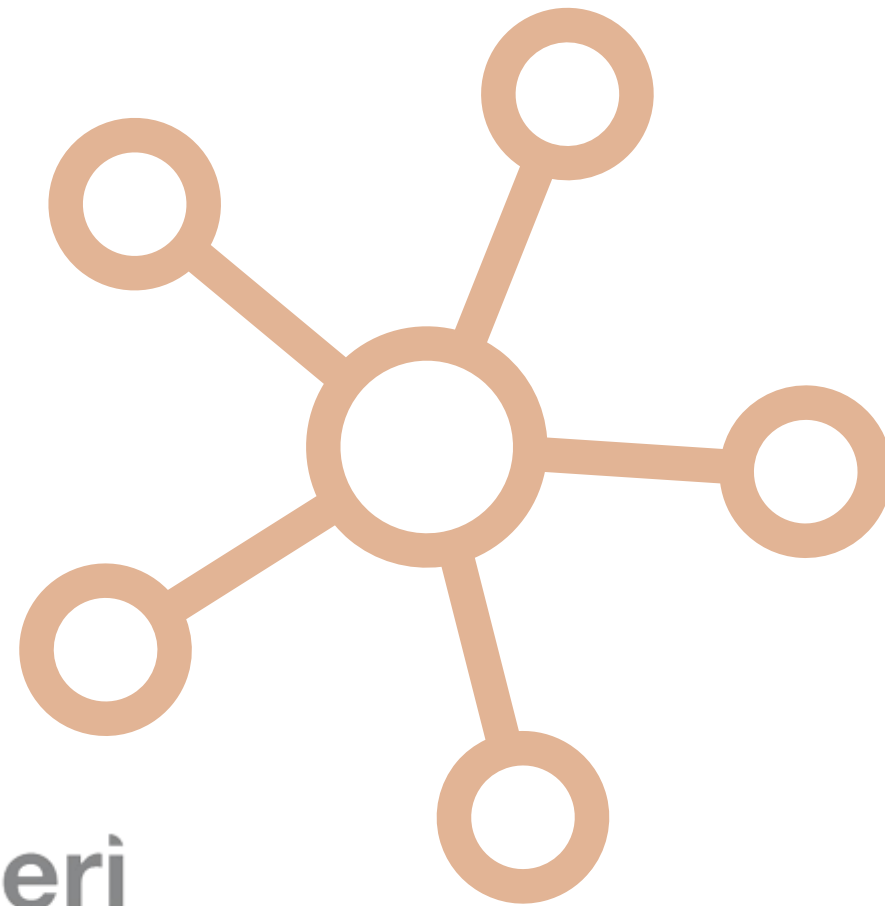

Fabrica is our investment in social housing. It works in the metropolitan area of Florence and in the provinces of Pistoia, Prato, Lucca and Pisa.

It is an accredited employment training agency authorized to mediate between job demand and supply

It is a benefit company born from the collaboration between Co&So and Opes Italia. It aims to generate an offer of integrated services for the elderly population.

It was created to promote and support the recovery of the Monastery of Santa Caterina da Siena through construction and architectural interventions

Coltibia is a start up of the Co&So system in the organic farming sector. Its mission is to offer training, social and labour inclusion services to vulnerable and disadvantaged people

EDUCATION

ANNUAL ACTIVITY REPORT '22

The education area is one of the most historic ones of the Consortium, boasting a high level of specialization which allows us to offer educational proposals with high quality standards, both on the public and private tender markets. The area supports the planning and provision of social-welfare and educational services aimed at children, young people, minors and families, home education services for minors, youth aggregation centers and multi-functional spaces, residential communities for minors.

ANNUAL ACTIVITY REPORT '22
16 AWARDED TENDERS

1.160 EMPLOYEES

over **13 thousand** beneficiaries

12.178.546 euros

OUR PROJECTS

Hereby a selection of our ongoing projects

FAMILY VILLAGE

Objective: to strengthen parenting skills, also through income support measures. The objectives include the creation of a community support network. With Family Village, innovative social welfare models will be applied that are based on new professional skills and have already been tested in the area.

DIRITTO DI TRANSITO

Objective: to create seven places where teenagers can meet, discuss, imagine and build their future. The youth imagination spaces are designed as "workshops" of non-formal learning and inclusion.

GOOD TIMES

Objective: to create professional training programmes, orientation workshops, work experiences, experimentation with forms of independent living, educational paths, taking care of public goods.

CULTURE AND TOURISM

ANNUAL ACTIVITY REPORT '22

Co&So manages cultural and tourist services at national level on a daily basis, bearing in mind that places of culture, if they are open, accessible and welcoming, play a key role in combating the phenomena of disadvantage and social exclusion.

Services managed: Tourist Information Offices, promotion of tourist destinations, organization of events and exhibitions, accessible tourism projects, library and museum services, cataloging and documentation, management of portals, training of employees.

ANNUAL ACTIVITY REPORT '22

22 AWARDED TENDERS

328 EMPLOYEES

over 2 million beneficiaries

7.769.205,05 euros

OUR PROJECTS

Hereby a selection of our ongoing projects

CITTADELLA HUB

Objective: to promote the overall recovery of the Monastery of Santa Caterina da Siena in Borgo S. Lorenzo, through construction and architectural interventions aimed at supporting the redevelopment and ensuring the management of cultural and social activities, involving the territory and the local community.

Destination Management Company and Destination Management Organization activities

Objective: tourism promotion of the destination, drafting of a Destination Management Plan in agreement with the main tourism stakeholders, organization of co-planning tables with local stakeholders by theme, creation of partnerships and interactions between the different actors to enhance the tourism-accommodation production chain

Promotion of Places of Interest in Pietrasanta

Objective: to promote the tourist competitiveness of Pietrasanta by strengthening the accessibility and visibility of the International Park of Contemporary Sculpture

Promotion of accessible tourism

Objective: to promote accessible tourism in Italy through the organization of various kinds of trips and initiatives.

SOCIAL AND HEALTHCARE

ANNUAL ACTIVITY REPORT '22

The heart of our method lies in the differentiation and personalization of care, because we believe that proximity is the main factor able to combat loneliness and support frailties.

Services managed: nursing homes, Day Centres, Home and school care, Residential child care communities, Psychiatric communities, Independent living paths, outpatient clinics, Educational and socialization services

ANNUAL ACTIVITY REPORT '22

4 AWARDED TENDERS

750 EMPLOYEES

over **3 thousand** beneficiaries

12.502.171 euros

OUR PROJECTS

Hereby a selection of our ongoing projects

VIVISMART

Objectives: to offer a better quality of life for people over 65. The creation of a multidimensional system allows the elderly person to live within an active community and participate in it first hand. The Project consists of four types of structured and related services, so that the person can maintain their autonomy in a serene and dynamic climate.

SENIOR HOUSING DIFFUSO

Objectives: to create an interconnected system of integrated services aimed at the inclusion of vulnerable people within a virtual community. Through the installation of intuitive and innovative technological devices, users have access to a synergistic network of personalized services provided promptly by a multi-professional team.

SOCIAL INCLUSION

ANNUAL ACTIVITY REPORT '22

We offer social and labour inclusion services and housing solutions for individuals and families in situations of social and housing marginality.

Services managed: social housing, reception services for marginalized people, first assistance of applicants for international protection, ordinary SPRAR (Protection System for Asylum Seekers and Refugees), first reception facilities for UFM (unaccompanied foreign minors), social and labour inclusion paths and services, services for mental distress, post-addiction recovery paths.

ANNUAL ACTIVITY REPORT '22

29 AWARDED TENDERS

442 EMPLOYEES

over 12 thousand beneficiaries

15.415.775,33 euros

OUR PROJECTS

Hereby a selection of our ongoing projects

VETREALITY

Objectives: to promote innovative learning approaches and methodologies and provide digital skills for teaching and training to facilitate SEN students' access to work-based learning experiences

CUB@WORK

Objective: to provide tools that enable understanding, reflection and creation of strategies to manage unconscious cultural biases in the workplace and, consequently, contribute to social inclusion and non-discrimination in the workplace

AVEC

Objective: to raise awareness through information events for citizens throughout the Tuscan territory, meetings for UFM living in facilities, for their guardians, for families and individuals interested in foster care

UP MINORI

Objective: to propose integrative and additional paths to what is already included in the reception services for unaccompanied foreign minors in the Florentine and Tuscan territory.

LABOUR INCLUSION

ANNUAL ACTIVITY REPORT '22

The creation of job opportunities for disadvantaged people is one of the main missions of the Consortium and its member cooperatives of type B. People with physical or mental disabilities, migrants, young NEETs, people suddenly left out of the working circuit and at risk of marginalization. We create paths where work becomes a driver of social inclusion and allows people to identify with a role, recover dignity, build true autonomy as protagonists.

ANNUAL ACTIVITY REPORT '22

6 AWARDED TENDERS

2.260 DISADVANTAGED AND
NON-DISADVANTAGED
PEOPLE WORKING SIDE BY SIDE

over 14 thousand beneficiaries

3.973.337 euros

OUR PROJECTS

Hereby a selection of our ongoing projects

BEYOND THE NEET

Objective: to provide opportunities centered on the individual, on their needs and situation, in order to gain access to Vocational Education and Training (VET) offers and the job market.

COMP-UP

Objective: to strengthen the motivation of low-skilled and low qualified adults to take part in training courses to improve their literacy, numeracy and digital skills.

COLTIBIO

Coltibio is a start-up of the Co&So system in the organic agriculture sector. Its mission is the training, social and working inclusion of vulnerable and disadvantaged people, through social agriculture projects. The aim of the member workers is to obtain better economic, social and professional conditions through associated management.

EU PROJECT AREA

ANNUAL ACTIVITY REPORT '22

Always looking for opportunities and innovation, constantly connected with the international network of the third sector, the CO&SO Consortium has been following for years an innovation process in a European perspective which over time has been structured and has become a real development engine for the whole Consortium.

ANNUAL ACTIVITY REPORT '22

5 PROJECTS
27 PARTNERS

1.100.000 euros

TOTAL BUDGET OF ALL PROJECTS

***of which 318,000 is Co&So's budget**

OUR PROJECTS

Hereby a selection of our ongoing projects

GREEN4VIP

Objective: to improve the skills of pre-school teachers who work with Visually Impaired Pupils (VIP) to create online and offline environmental workshops.

BID TO ART

Objective: to promote digital skills to facilitate the entrepreneurship of artists and professionals working in the cultural heritage area.

MICROFIGHTER

Objective: to demonstrate the effectiveness of a new natural and eco-sustainable Zeo-Biopesticide as an alternative to copper-based products for the defence against the most threatening pathogens of grapevine, tomato and olive in organic farms in Italy, Croatia and Spain.

EASY-EU

Objective: to promote the participation of young and elderly people in the civic and democratic life of the European Union through the organization of local events on the European Parliament elections scheduled for 2024.
